General statement	I did use GenAI tools in the preparation of this work
In the rows below, provide the required information about any GenAI tools and how they were used. If you have declared that you did <u>not</u> use GenAI tools, no further information is required.	
Grammarly.com Available at: https://www.grammarly.com	To check grammar and spelling of text on my slides, minor corrections were then made

* You may wish to revisit the university guidance on acceptable and unacceptable uses of GenAI that can be found here:
